

Newtech Business Systems Inc
47 Bay Ave West
Hampton Bays NY 11946

To: Postal Regulatory Commission

With Regard to Your Docket Number CP2016-9:

"Domestic and International Mailing — Price Change"

Please be advised that my small business would suffer a significant negative impact if the proposed price change were to go into effect. My business relies heavily on the US Postal System to facilitate mass mailings to service our clients needs. We will not be able to continue in our present manor if the price increase is approved.

Thank You

James McGrath
